## POST COVID - 19 QUESTIONNAIRE REPORT

May we sincerely thank all of you who took the time and interest to respond to the questionnaire. This will give us a view of the wishes and thoughts of many residents in the village.

Please note that some questions are more relevant to certain age groups and therefore the numbers recorded are not necessarily representative of the whole age range.

The figures are based on number of households (not number of people) that have responded.

**NUMBER OF RESPONSES: 281**

Houses: 247 Flats / Apartments: 34

**NUMBER OF PEOPLE: 637**
