Residency Fees

Hartley Wintney Parish Council provide a significant discount on the cost of interment to residents of Hartley Wintney.

You qualify for resident interment fees for burials if the deceased:

- was a resident of Hartley Wintney Parish at the time of death
- was the owner of a grave in Harley Wintney Parish Cemetery; or the spouse or civil partner of the owner of the grave; and was a resident when the grave was originally purchased
- was a near relative (next of kin) of the owner of the grave, and the owner is a resident (as indicated above)
- moved outside of Hartley Wintney Parish (such as in a nursing home or in the care of a relative) but was a resident of Hartley Wintney Parish immediately prior to this
- lived outside of Hartley Wintney Parish but can provide evidence of living within the Parish no more than 5 years prior to the time of death
- was a serving member of the armed forces living in temporary accommodation whose family still reside in Hartley Wintney Parish

Hartley Wintney Parish Council reserve the right to consider applications for residency interment charges where circumstances are not covered by the above conditions and make decisions accordingly.

Excess soil from gravedigging is not currently removed from site. This will be reviewed annually and if circumstances change, interment fees will include an additional cost for removal of soil from site.
