

BUSINESS AWARD

History

The Business Award was created by Hartley Wintney Parish Council in 2021 after the Covid 19 Pandemic. It was initially awarded for a Hartley Wintney based business that had gone above and beyond, offering invaluable service to the community during the Covid-19 pandemic. In a post Covid-19 era, it is awarded to a local business that continually offers an incredibly high level of service to the local community through its business.

The recipients of the Business Award are as follows:

2023 – TA-DA! Beauty and Mi Mi

2022 – Auriol Wines

2021 – Crown Homecare and Cuppies 'n' Cream
